International Union for Vacuum Science, Technique and Applications  
Internationale Union für Vakuum Forschung, Technik und Anwendung

Dear colleagues,

We are glad to announce the [19<sup>th</sup> International Conference on Thin Films \(ICTF2023\)](#) scheduled from **September 26<sup>th</sup> -29<sup>th</sup> 2023 in Burgos, Spain.**

The ICTF is a well-established conference series (first edition took place in Boston, Massachusetts, US in 1969) for all researchers interested in **thin films and coatings**. It is organised after every three years and supported by the Thin Film Division of the International Union for Vacuum Science, Technique and Applications (**IUVSTA**), a union of national member societies whose role is to stimulate international collaboration in the fields of vacuum science, techniques and applications and related multi-disciplinary topics. In addition, this edition is also supported by the Spanish Vacuum Society (**ASEVA**).

For more information and further updates, please visit the [conference website](#).

**We invite you to join us in ICTF2023 in Burgos next year and share the latest advances in the field!**

Yours sincerely
